Chapel Urges Action On Narcotics Bill

By CHARLES EDWARD CHAPEL

Member of the Assembly, 46th District, California Legislature, Assembly Chambers, State Capitol, Sacramento 14, Calif. We Reconvene February 24

We reconvene at noon, Tuesday, Feb. 24. Many of us have left our homes already in order to reorganize our Sacramento offices for the strenuous days and nights ahead. We shall be in Sacramento until June 15. Please send all mail to Assembly Chambers, State Capitol, Sacramento 14, California.

New Lobby Committee

The Honorable Gordon R. Hahn, Republican, member of the Assembly, 66th Assembly District, whose home address is 5931 S. Flower St., Los Angeles 3, is the newly appointed Chairman of the Legislative Representation Committee of the Assembly, better known as the "Committee on Lobbyists." Gordon is one of the leaders of the so-called "Reform Group." He is intelligent, industrious and honest. He will do his best to deny lobbying credentials to those whom he regards as sinister.

Bible Reading Bill

The Honorable G. Delbert Morris, Republican, member of the Assembly, 63rd Assembly District, whose home address is 3861 Welland Ave., Los Angeles is the author of the Bible-reading bill, of which I am a co-author. This bill is receiving wide acceptance because it permits each local school board to decide whether or not it will allow the Bible to be read in the public schools. The Bible passages are selected by a committee of Roman Catholic, Protestant, and Jewish clergymen. I think it will become a law, but if you do not like it, please tell us why.

Women's Clubs and Newspapers Support Anti-Narcotics Bill
Women's clubs all over California, especially the Soroptimist Clubs, are supporting my Assembly Bill No. 85. This bill was recently praised by David W. Hearst, publisher of the Los Angeles Evening Herald-Express, and other Hearst publications. The only opposition to the bill has come from lawyers, who say that it is too drastic. Here is the bill, word-for-word:

"Section 1, Section 11714 of the Health and Safety Code is amended to read:

"11714. Every person who hires, employs, or uses a minor in unlawfully transporting, carrying, selling, giving away, preparing for sale, or peddling any narcotic, or who unlawfully sells, furnishes, administers, gives, or offers to sell, furnish, administer, or give, any narcotic to a minor, is guilty of a felony, punishable by imprisonment in the state prison for life, and for a second such offense shall suffer death."

Already I have received more than 3000 letters, 243 telegrams and countless telephone calls, urging me to fight to the bitter end to get this bill enacted into law. Therefore, I call upon my readers for help. Please do not write to me any more about this bill, but get your friends and relatives in other Assembly districts, to write to their own Assemblymen, and to their own Senators, asking them to vote "YES" on Assembly Bill No. 85, the bill making it mandatory for a judge to sentence to life imprisonment anyone who sells narcotics to a minor the first time, and give such person the death penalty for the second offense.

Publishers Support Tax-Cut Program

In recent press releases and radio talks, I have said that unless Republicans in Congress and in the California Legislature vote for tax-cut bills, all of us will be defeated by Democrats at the next election. Many publishers are supporting my own Assembly Bill No. 5, which cuts the California sales tax from 3 per cent to 2 1/2 per cent, and reduces all other California taxes about 15 per cent. One of the publishers who agrees with me is Kenneth Kraft, associate publisher of the Inglewood Daily News, a man who travels all over the United States gathering information. He says:

"POLITICAL SUICIDE, OR HOW TO LOSE 1956 ELECTION IN 1953. Win election on promises of prompt tax cuts. Then try to hand out pious platitudes instead of promised tax relief."

"ADMINISTRATION'S RECORD, AND WHAT A RECORD! It only took the Administration three weeks to accomplish two mighty works: 1. Make itself a liar by repudiating specific election promise for immediate tax reduction. 2. To insure that it will get no credit if tax relief is noted. In spite of the Administration, not because of it, that's how tax cuts will come!"

"CUT TAXES FIRST. Pressure on government to spend is irresistible. It will always spend everything it takes in."

Is This Treason?

The man who wrote the above words, Mr. Kenneth Kraft, is a conservative Republican. I, Chapel, am a Republican. I call upon you to write to United States Senator Knowland and United States Senator Kuchel, Senate Office Building, Washington, D. C. that you want taxes cut now in accordance with Republican campaign promises. For more than 20 years Republicans have said the Democrats were spendthrifts. It is now time for all Republican officials to vote tax cuts or prepare for return to civil life at the next election!
